

Dear Troy, Brad, Kristian & The Arthur Beetson Foundation,

First of all I would like to sincerely thank you for selecting me to nominate me for a scholarship. To say it has changed my life is an understatement. My time at Ipswich Grammar may have only just begun but it has already had a huge affect on me personally, I love it.

I have made many new friends and I find the education at the school exceptional compared to others. I am learning so much everyday and it's not a drag or boring.

The sporting and the spirit that follows it at this school is amazing, everyone gets behind you. I love playing rugby with all the boys. I find the training intense and very skilful, it has definitely aided my skills on the league field greatly. I find that training for union has built more strength and made me think about spacing, fast ball playing a lot more. The level of competition down here has also aided my game. There are no lazy games, every week is a new challenge.

Once again I would like to thank the Arthur Beetson Foundation for changing my life in the best way possible.

Thank you and I look forward to hopefully seeing you all again soon.

Sincere Regards

Jackson Weir
